Cabernet Sauvignon

IGP Pays d'Hérault

100% Cabernet
Sauvignon

13.5% Vol.

Tasting

The Cabernet Sauvignon contributes to the vineyard's reputation: powerful, with tannins and black fruit aromas, it may be enjoyed in its youth or after some years of aging in the bottle.

Vinification

After the mechanical harvest on optimally ripe grapes, the destemming process is done before the controlled fermentation between 28 and 30°C in tanks. The bottling of the cuvée Cabernet Sauvignon is done with no prior filtration in order to obtain a better preservation of its aromas and gustatory quality.

Food and Wine

This wine goes perfectly with game, red meat or cheese.
